

Chairman's Foreword

Welcome to the 2011-2012 season and I hope that once again we can all look forward to a sporting and competitive season.

It is encouraging that we have some new teams joining the league this season, and we welcome and wish them and all new players the very best for the season.

Entry levels for last season's tournaments were disappointing and I would encourage as many players as possible to boost their playing opportunities by entering as many tournaments and championship events as they can.

I thank all members of the committee for their hard work, their dedication and their loyalty; we all need to remember that a lot of time and effort goes into ensuring the smooth running of the league and competitions. On a practical note, I would urge all Team Secretaries endeavour to get their results to Eddie Fuller promptly this season. For those who are able to do so, scanned copies of scorecards sent via e-mail could be the best way of sending them promptly.

Finally, if there are any issues relating to the handbook, the league and competition programme, or any other aspect of the League's affairs, please bring them to the attention of your committee during the season – don't wait for the AGM. I can assure you that we will always do our best to address any queries, problems or issues as and when they are brought to our attention.

Good luck to all teams – have a great season.
